To Whom It May Concern:

Our facility is called IMAGES and is a Night Club, open 7 nights a week. We have been using SHURFLOOR for over 3 years and believe it is one of the best floor cleaning products on the market.

If SHURFLOOR is used, as directed, mixed with Hot Water and immediately used after mixing, the results are very hard to beat. Our Bartenders and Bar Backs are young and usually in a hurry to get out after closing. But, after they understand the hot water mixing, immediate use and clean mop theory, they are completely satisfied with the results and are happy with the extra effort to do it right.

After using SHURFLOOR for a few weeks, I would be very surprised if you did not agree that SHURFLOOR is one of the best products on the market.

Please feel free to contact me, anytime, about SHURFLOOR.

Sincerely,
